1748 sialac

Perfect preparation for perfect finishes

Perfect preparation for perfect finishes
As a specialist product for preparation for polishing and lacquering, 1748 sialac has a number of outstanding properties which, combined, produce perfect results – whether it's keying primer coats and bodyfiller or intermediate and final sanding of lacquers.

- Excellent surface quality in lacquering applications
- Low clogging
- For manual or machine use
- Best adaptability in the siasoft version
- No slipping of fingers thanks to foam back
